

The Moken - The Sea Gypsies

Introducing Feelfree's ultimate fishing kayak – the Moken. Named to honor the Moken people, whose nomadic sea fishing culture helped them survive the 2004 tsunami, the 13ft Moken brims with features fisherman crave. It sports a bow storage plus two additional cockpit hatches, with additional room for a storage crate and bait bucket. Within reach of the paddler is a handy flip-up console for lures and gear, with a nearby mounting area for additional fishing rod holders and fish finder. Completing the outfitting are molded-in carry handles on the bow and sides plus a rudder system. It's a real keeper!
